### TAKE OWNERSHIP OF THE MENTORSHIP

**Thoughtful goal setting:** Take the time to clarify your goals to achieve success in a focused and decisive manner.

**Strive for effective meetings:** Generate ideas, plan activities, keep each other informed and agree on a SMART plan.

**Reflection:** Think carefully, especially about possibilities and shared learnings. Come well prepared to take advantage of the next meeting.

**Assess the progress:** Develop a relationship of trust, and set short and long term goals and action plans. Assess regularly during the mentorship journey.
