They'll Teach You Everything They Know

THEY WORK IN ADVERTISING AGENCIES, DESIGN FIRMS AND MARKETING DEPARTMENTS

ABOUT US

Miami Ad School has built its reputation over 25 years for producing outstanding creative graduates who are ready to work from the first day on the job. This school's unique educational concept pairs realistic training taught by practicing professionals and hands-on internships. While still in school, our students may intern in a choice of dozens of agencies and companies. This real-world experience has made our students the most awarded on the planet and highly recruited by leading companies.
